Jackson's Magic Balsam -THE-

Great Master of Pain,

Any Emergency.

THE PROOF ;

P. Vas Alsline, Reg., Barnesville, Ga.;

DEAR SIR.—You must excuse me for this outburst of praise for your invaluable mediciae, and thanks to you for placing it within my reach. Let me tell you about it: To-night, after support, I was attacked with a very scate pain in my right aide. I had felt it coming on for several day, but it did not reach a fooms amit so-night, and of all intense pains, it was then work I swe had. Having tried your Bellaum before for different aliments and found it equal to any emergency, I went down suffering must excruciating pain as I went slong, and paid my last quarter for a small bottle of Jackson's Magic Balsum. It was with the greatest difficulty I reached home. The medicine was applied to the hurting place, and ha a faw minutes after the application, I took my peach, and while i sorthor these lines to you the pain has disappeared leaving me as happy as the usual sun flower, and sunther dose of the Magic Truck in the bottle ready for any pain that might arise. I only wish you as much good luck as your Balsaum is emidous, and that is a great deal.

TUR TOR THE ENGINEEN AND TOTT THOU-SAND DOLLARS.

Testeral morning the Board of Directors of the Georgia Western Rallroad met at the office of the President, Col. G. W. adair. Negotiations have been for some time progressing between committees of the two Boards, and also between Provident Adair and the President of the Georgia Baliroad Company relative to the subscription of the latter to the Georgia Western for \$250,000. The Board of Directors of the Georgia Western uanimously directed President Adair to bring suit for the subscription. Hon. B. H. Hill and Judge Collier have been retained in the case.

WHY WILL YE DIE?-Death, or what is WHY WILL YE DIE?—Death, or what is worse, is the inevitable result of continued suspension of the menstrual flow. It is a condition which should not be trified with. Immediate relief is the only safeguard against constitutional ruin. In all cases of suppression, suspension or other irregularity of the courses. Dr. J. Bradfield's Female Regulator is the only sure remedy. It acts by giving tone to the nervous centres, improving the blood and determining directly to the organs of menstruation. It is a legitimate prescription, and the most intelligent Doctors use it. Prepared by J. H. Bradfield, drug gist, Atlanta, Ga; \$1 50 per bottle, and sold by respectable druggists everywhere.

AM engaged in the Manufacture of the Celebrated Family Medicine, known as the Calboun Liver and Anti-Billous Fills, under the supervision and assistance of Dr. Cahoun himself. This Fill has been in use for the last thirty-dve years and has taken precedence over all other Family Preparations. By all that have used them. Thousands would certify to their great value if qecessary. One fact should supersede any amount in certificates, and that fact is this: Dr. Calhoun has oeen physician to the Fulton County Prison for over seven years, when the number of prisoners ranged from 30 to 70, laboring under all the diseases incident to this climate. With but few exceptions, they have all been treated with this Fill, and astonishing to say, during that long period not a solitary death co-curred under his treatmant. This fact is worth any amount of testimonials.

I am now prepared to fill orders from Druggista, Merchants and others. All orders sent me shall receive prompt attention. There is no type of FEVE; DYSPESIA, DIARRHERA, DYSENTERY, RHEUMATISM, CHOLERA: MORBUS, BILLIOUMESS and BICK HEADACHE, or other diseases of a Southern climate, but yields readily to this preparation.
